

### **ABC Window Cleaners and Building Maintenance, LLC.**

president Todd Londin, announced the purchase of the assets of Santiam Sweeping and Environmental Services, Inc.

Customers of Santiam Sweeping will continue to receive quality service. ABC is also adding a new commercial power sweeping service which, together with their pressure washing can handle all of your parking lot and garage cleaning needs. Power sweeping enhances the appearance of your premises; helps reduce wear and tear of your parking surfaces by removing accumulated sand, grit and other debris; and reduces your exposure to liability by removing hazardous objects such as broken glass, nails etc. from parking lot surfaces. **Call 503-363-4457 or visit [www.abcwindowsor.com](http://www.abcwindowsor.com).**

**Advantage Precast, Inc.**, has added several new lines in an effort to add market to the slow utility and building sector. These include several sizes of arch tunnels for passage, storage, wine cellar, and safe rooms. A new line of driveable grass; concrete park amenities including portable restrooms; pedestrian and residential bridges, and steps. Advantage Precast is the first Marion County business to be recertified for Earthwise. **Call 503-390-2048 or visit [www.advantageprecast.com](http://www.advantageprecast.com).**

**AmeriTitle** is pleased to announce the promotion of Eric Templeton to Vice President.

Templeton will continue to be responsible for six AmeriTitle offices in Marion, Polk, Linn, Benton and Yamhill Counties while taking on expanded duties in his new role. Templeton joined AmeriTitle in 2000, as the company's corporate controller and was later assigned the General Manager position for the Willamette Valley in 2005. AmeriTitle has Willamette Valley offices in Albany, Corvallis, Dundee, Lebanon and two in Salem (Downtown and Mission Oaks). Eric Templeton's office is located downtown Salem at 320 Church Street. **He may be reached at 503-581-1431 or [erict@ameri-title.com](mailto:erict@ameri-title.com).**

**Arbuckle Costic Architects** was recently honored for the second time for their design of **The Meridian**, a mixed-use development located on the corner of Mission and Commercial Streets. They were presented an award in the Mixed-Use Category at the 30th Annual Excellence in Concrete Awards put on by the

**Oregon Chapter of the American Concrete Institute (ACI) and the Oregon Concrete and Aggregate Producers Association (OCAPA).** Arbuckle Costic Architects is also pleased to announce the hire of three new staff members. Project Architect **Alan Groves Began** joined the firm in March 2010. Alan has over 10 years of professional experience. Architectural Intern **Blake Bural** is a LEED Accredited Professional. His past design experience is in senior retirement facilities. He continues to expand his experience with education and commercial projects. Blake is completing his internship through the Intern Development Program and is currently sitting for the Architectural Registration Exams with the goal to become a registered architect in the spring of 2011. **Michael Browne** has joined the firm as a drafter with nearly 15 years of experience in the architectural field. His drawings have encompassed a variety of structures: restoration of historic homes, redesign and building of custom homes, commercial spaces, remodeling and expansion of churches, and construction of new senior living complexes nationwide. **Call 503-581-4114 or visit [www.arbucklecostic.com](http://www.arbucklecostic.com).**
